

FOR IMMEDIATE RELEASE

## **iSqFt Nominated as one of Cincinnati's 'Best Places to Work'**

CINCINNATI – September 17, 2008 – iSqFt has been nominated as one of Greater Cincinnati's 'Best Places to Work' for 2008. The annual *Cincinnati Business Courier* program recognizes those firms in the region that are tops in a survey of employee satisfaction.

"It is truly an honor to be nominated for this award," stated iSqFt president and CEO Dave Conway. "While it displays the value that we have for all of our employees, this nomination is also a reflection on the belief that our employees have that what they do every day matters, translating into the positive impact that we have on the efforts of our customers and partners."

'Best Places to Work' nominations are based on scores from employee surveys, measuring such items as employee engagement, belief in management and colleagues, career path and professional development, compensation and benefits, and overall employee fulfillment. This year's nominations included 28 companies from within the 15-county Greater Cincinnati area in four categories; small, medium, large, and grand-sized businesses. Winners will be announced at a luncheon on November 6, 2008.

### **About iSqFt:**

Founded in 1993 as Construction Software Technologies, Inc., Cincinnati-based iSqFt is the construction industry's leading provider of online bid solicitation and preconstruction management services in the United States. Through strategic partnerships with the Associated General Contractors of America (AGC), local AGC Chapters and other industry organizations, the firm provides tens of thousands of general contractors, subcontractors, and suppliers in markets around the U.S. with online tools and solutions to increase competitiveness through reduced costs and increased efficiency. iSqFt is also a proud member of U.S. Green Building Council and is committed to the practices of sustainable design and construction.
