## **iSqFt Growth Results in Move**

CINCINNATI – December 29, 2006 – Effective on January 2, 2007, iSqFt / Construction Software Technologies, Inc. will be moving its headquarters into a new office space.

The new office address is 4500 Lake Forest Drive, Suite 502, Cincinnati, OH 45242.

The move is a direct result of the company's consistent growth over the course of the past several years. This growth is demonstrated by the company's position on *Inc.* magazine's list of fastest growing private companies in the United States at the end of both 2004 and 2005.

### About iSqFt:

Founded in 1993 as Construction Software Technologies, Inc., Cincinnati-based iSqFt is the construction industry's leading provider of online bid solicitation and preconstruction management services in the United States. Through strategic partnerships with such organizations as the Associated General Contractors of America (AGC), the firm provides tens of thousands of general contractors, subcontractors, and suppliers in markets around the U.S. with online tools and solutions to increase competitiveness through reduced costs and increased efficiency.
