

Invitation-to-Bid Quick Start Guide

Welcome to iSqFt the nation's largest network of online Plan Rooms and Private Construction Offices. Our site gives contractors easy, 24-hour access to a wide range of upcoming projects, complete with plans and specs.

You have been granted acess to iSqFt through a General Contractor's Invitation-to-Bid. Use this document to help you quickly learn the process for accessing our site and navigating to view the projects that you have been invited to bid along with the associated plans, specifications and addenda that are available for you to view, download and print.

To get started follow these simple directions:

1. Go to the Invitation to Bid email you were sent from the General Contractor and click on the link at the bottom of the email to go directly to that project's details.

Alternatively

- **1a.** You can log in directly to the site by going to www.isqft.com and clicking on the User Login button in the upper right hand corner of the screen.
- **1b.** Since you are responding to an **Invitation** to **Bid** that you have received from a General Contractor, you will need your User Name and Password that is on the invitation.
 - It is normally found in the upper-right portion of the doucment as shown.

Invitation-to-Bid Quick Start Guide

Next you will encounter the following pop-up screen. It is necessary for you to hit the **Run** button in order to download plans and specs on the site.

If you don't want to see this message every time you log-in, click **More Options** and check the option that reads - Always run software from "The Johnathon Group, Inc." and then hit **Run**.

There are multiple ways that you can access project(s) that you have been invited to. You can click the link at the bottom of the email that you received, or you can access the project directly from the Home page.

From the Home page, click on the link inside the box to view that project(s) details.

The Details page of the project has all of the pertinent information about the project, including design team information, job description and document information.

To access the plans for specifications of a project, click on either the **Plans** or **Specs** tab along the top of the page.

From the list of plans that appear simply click on any of them to view that particular plan.

Invitation-to-Bid Quick Start Guide

If this is your first time viewing a plan you will need to install the iSqFt plan and specification viewer.

Once you click on the plan the following pop-up box will appear. Click **Run** and let this file install from its current location. There is no need to save it to your local computer.

Next, click the **Setup** button.

10. When the program is done installing, click the **Finish** button.

11. Now, the plan will open in the viewer that you have just installed. Plans are highly compressed for fast downloads. From here you can view, zoom, annotate, copy, download to your computer and even print to scale right from your screen.

12. Clicking the Accept/Decline tab allows you to indicate your intention to bid on the project. The general contractor values your feedback even if your intention is to Decline the invitation.
